Our Supporters and Mission Partners

Join others who support our collective efforts to ensure a connected and powerful nonprofit community equipped to champion the public good.

Nonprofits are bridge-builders weaving our communities together. Invest in our work to strengthen and amplify the impact of small to midsize nonprofits embedded in local communities throughout the country – the 97 percent of nonprofits with revenues less than \$5 million on which tens of millions of people rely daily. Your investment in our work expands the advocacy, research, information sharing, and capacity building resources available for all nonprofits – even those you are unable to support directly. Our Supporters

The National Council of Nonprofits is pleased to recognize those individuals and organizations who contribute to our work through general operating grants, project support, individual gifts, *pro bono* services, or in-kind contributions. We are most grateful. Our generous contributors are listed below alphabetically within each section.

Core Mission Partners

NCN recognizes as **Core Mission Partners** funders that invest in our work to advance the vital role, capacity, and voice of charitable nonprofits through our state and national networks. We're grateful for the support of these funders, which also helps us continue building the capacity of our network of state associations of nonprofits.
